

# Need low cost credit reporting & compliance solutions? We thought so.

The Saint Louis Auto Dealers Association® is pleased to introduce **700Credit** as our preferred vendor for **credit reporting and compliance solutions** for SLADA members. 700Credit is a leading provider of these services to auto dealers nationwide. As the preferred vendor, 700Credit offers a Dealer Purchasing Power Program that enables SLADA members to purchase credit reports and Red Flag compliance solutions at discounted rates.

## About 700Credit

700Credit is the automotive industry's leading solution for credit reports, consumer information and compliance products and services. Services include credit reports, Red Flag compliance, OFAC and Adverse Action, and specialized web-based quick application tools. 700Credit exists to provide clients with the highest quality credit and compliance data in the most time efficient manner possible.

## Program Highlights

**Low Cost** SLADA members receive an exclusive special discount on credit reports.

**Integration** No repetitive data entry. 700Credit integrates with your existing dealer systems such as Reynolds & Reynolds, ADP, DealerTrack, RouteOne, Arkona, Advent and more.

**Speed** 700Credit's report delivery is one of the fastest in the industry. Period.

**Compliance** All requirements and safeguards are available to you (Red Flag, OFAC, Adverse Action, etc.).

**One Source** Easily and efficiently manage credit reporting and compliance from one system.

Contact SLADA today for a risk-free cost analysis and demonstration.
